Julia Drea...

STEP 1

Start by making strokes in various places on the tree using the First Brush and the lightest shade of green

Julia Dreams First Brush

#b9c8a8

STEP 2

Repeat step one using the other three shades of green

STEP 3

Blend the colors using the Water Wash Brush. To keep the illustration from looking too blurry, just do it in a few places

STEP 4

With vertical strokes, fill in some areas of the Christmas tree stand using the lightest shade of brown. Fill in the remaining areas with other shades of brown. And using the darkest shade of brown, draw horizontal stripes.

Using the eraser, create holes for the toys on the Christmas tree. This is necessary to make them bright.

STEP 6

Using red, yellow and beige color
draw toys on the Christmas tree.
And using a line brush and white
color, draw a garland.
